VOL. V. NO. 220.

CHICAGO, WEDNESDAY, SEPTEMBER 13, 1899.

PRICE, 5 CENTS

MCCOR. TO DISQUALIFIED.

Through sheer carelessness O. P. Romigh lost a purse and Mocorito a race at Hawthorn yesterday. Jockey Conley and his valet were

Mocorito, after one of the gamest struggles ever seen at the track, best Pacemaker with T. Burns up by a nose on the post, but because jockey Conley was six pounds short of weight when he came to weigh in Mocorito was justly disqualified It took the public some time to realize what Mocorito was disqualified for, as the filly had run game and true through the stretch and interfered with no one. It seems that Conley had five mounts during the day and all with the exception of Mccorito carried the same weight, about 106 pounds. The boy rode in the first race and checked out with 113 all right to ride in the second. After making his check for the second he trusted to his valet, but in some way the latter got tangled instead of putting lead on Mocorito that would make 113 he made a mistake and the filly sent to the post six pounds light.

Mocorito was a stanch favorite, and all eyes vere on her when the barrier went up. She broke third, but was badly interfered with on the first turn and was knocked far back. Con ley did not lose heart, and close to the rail he weaved his way through. The filly gained slowly but surely, and at the head of the stretch she was third, and soon wore the leaders down. Then a shout went up, "Mocorito wins! Mocorito wins!" But all of a sudden along come Pacemaker, with Burns up, and at the eighth post he was on even terms with Mocorito. From there home a desperate struggle ensued, and in the very last stride Mocorito got the verdict. Then there were the usual demonstrations after a favorite wins and a rush for the betting ring Everything was lovely until Conley hit the scales; then the trouble began. He was six pounds short and there was no immediate way to account for it.

Judge Rees hesitated some time before mak ing his decision, but there was nothing left for him to do but to disqualify Mocorito. This be did, but pending an investigation Conley, bis valet and J. Stewart, who saddled the filly. are enspended.

No matter which horse wins the public always likes to see a close finish and it was treated to one is the fourth race. This was a five furlong dash for two-year-olds, and so close together did the first three finish that only the judges could tell which had won. The finish was be tween Nullah, Azua and Martin Dake and Nullah, who led all the way, got the verdict.

The chances are that over the fifth race

selling race war will start. Tappan won this race very easily from Yuba Dam. Tappan balongs to J. H Smith, who is pretty shifty about running horses up and claiming them. His gelding was entered for \$300, bat C. R. McLean, who owns Fair Decriver, bid him up to \$500. Mr. Smith's representative, C. H. Wii lams, bid \$505 and Tappan was led back to his stable. Losing the amount of the purse through the run-up made Smith sore, and to get even, he claimed Yab. Dam for \$800. The

get even, he claimed Yub. Dam for \$800. The latter is more than an ordinary selling plater and it seems Smith got much the best of the deal.

"Brewer" Schorr's Jackanapes, who won the third race, was ruu up \$300 over his entered price by Clarles O'Connor, who owns Lillian Reed, which finished second. John Schorr stood the raise.

Mr. Coirigan had a stable boy named Herting on his colt Wallenstein in the first race and this was the cause of the youngster being an 8 to 1 chance. Wallenstein got away in front and

led all the way, winning in a drive from Fair

The Lady in Blue is cherry ripe and had the last race at her mercy. H. Wilson got her off in front and towroped her field.

J. R. Hand has been exonerated from blame

for the inconsistent running of his horse King

Nothing has been done about the cases of ockeys Nutt and Beauchamp.

Tommy Burns was suspended for two days by Starter Dwyer.

Sydney Bender was at Hawthorne yesterday. and states that his good horse Tenby is getting along fairly well in D. McKelopp's hands. The doctor, however, thinks it will be impossible to get Tenby ready to run to his best form this fall. If he should become good this fall a meet-ing between him and Serrano would be of interest.

George Siler, it is reported, has resign position as press agent at Hawthorne, and is to remain east and make New York his permanent home. Mr. W. J. Jackman, of the Inter Ocean. has been appointed Mr Siler's successor.

GOSSIP OF THE TURF.

Most people who pay attention to horse matters will recall the fact that in 1896 there was foaled on V. L. Kirkman's place, near Nash ville. Tenn., a perfectly white thoroughbred colt. The foal was regarded as a freak, especially as its sire, Palestine, is a chestnut horse, while its dam, Black Girl, is a jet black mare Mr. Kirkman has had numerous opportunities to sell the colt at a good price, but still owns him, and will send him over to St. Louis about the first of September to race for some of the purses offered by the Fair Grounds Association. From the time the foal first saw the light up to last spring its coat was snow white, with the exception of its eyes, which were black, and the tips of its ears, which were red. The colt was registered under the name of White Cross, and raced at the Nashville fall meeting a couple of times in his two-year-old form, but finished in each instance outside the money.

White Cross has been gradually changing his

color since last February, and it is thought that by next February he will be as intensely b'ack as he has been intensely white. Following the terrible cold spell, F brusry 13, 1899, the cold has been turning black; but whether the sever ity of the weather is in any manner responsible for the change is not known. However, about that time black spots began to appear on his quarters, and these have been growing rapidly ever since. Other black spots have appeared or his neck and shoulders, and his ears have turned a dark brown. His tail, which was white, is fast changing to a glossy black, and indications of a similar change are visible all over the b dy A number of learned men have examired the colt, but not one of them has offered any explanation of the remarkable change now taking

place in the colt's color.

White Cross has been in training at Mr. Kirkman's farm since last May, and his best trials include a quarter in 25, a half in £2 and three-quarters in 1:18. He is about sixteen hands high.—Spirit of the Times.

Post 10 minutes. Start good. Won driving: second and third were driving even harder. Wellenstein was fortunate in getting away, showed a lot of speed and had a clear path. The little by that rode him handled aim well and did not become rattled when the risch came. Fair American is a slow beginner and this was a great handicap to him. He met with a lot of interference but stood it genely and finished strongly under punishment. Van Hoorebske showed fine speed. He get away in the rear division on the outside and was much used in getting up Scarlet Lily had no excuses. The Lady was well backed and rumor has it she has worked fast.
